

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding Contract for Lodi Avenue Asphalt Concrete Resurfacing, Ham Lane to Union Pacific Railroad, to Granite Construction Company of Stockton (\$349,990) and Appropriate Funds

MEETING DATE: July 16, 2003

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution awarding the contract for the above project to Granite Construction Company, of Stockton, in the amount of \$349,985.00 and appropriate funds in accordance with the recommendation shown below.

BACKGROUND INFORMATION: This project consists of installing approximately 3,000 tons of asphalt concrete and 24,850 square yards of pavement reinforcement fabric; removing and replacing concrete wheelchair ramps; pavement grinding; pavement striping; and other incidental and related work, all as shown on the plans and specifications for the above project.

Option prices for both weekend (Sunday) paving and nighttime paving were requested. The actual paving will be completed in two days and will require closure of only the roadway being paved that day. The additional cost of paving on Sundays (\$30,000) or paving at night (two nights) (\$20,000) does not seem to be warranted. There were 242 letters sent to affected residences and businesses. To date, we have received only four inquiries voicing interest or concerns about the project.

Plans and specifications for this project were approved on May 21, 2003. The City received the following five bids for this project. A copy of the Bid Tabulation for this project is attached. The recommended appropriation amount includes the construction contract and an allowance for testing and related construction engineering expenses and contingencies.
